In signing this application below, I fully understand and agree that:

1. All of the information provided in this application is accurate and complete. And that if any information has been omitted or falsified on the application or in the family interview process, my child’s acceptance to GCCS will be in jeopardy.
2. The receipt of this application for consideration and review by GCCS in no way implies or guarantees acceptance of my child for enrollment at GCCS.
3. The doctrinal statement of the school will be foundational to all learning, chapels, events and activities, and that the standards of the student handbook will be enforced.
4. My child may not be allowed to begin classes at GCCS until transcripts from his/her former school have been received.
5. My child’s or family’s image may be used for advertising by GCCS in its photography, publications, website, school Facebook page, etc.
6. All disputes between my family and GCCS must first be negotiated internally with the administration of GCCS. Any unsettled disputes must be resolved by binding Christian conflict resolution, mediation, or arbitration.
7. My child will participate in field trips and other school activities.
8. The teacher has full discretion in the classroom discipline of my child.
9. GCCS reserves the right to suspend, dismiss, or deny reenrollment to my child and/or family if there is refusal to cooperate in the disciplinary, spiritual, educational, and/or administrative processes of the school.
10. In the event that my child is not enrolled for the entire year, I will be responsible for the payment of prorated tuition and fees for the time that my child was enrolled.
11. GCCS will withhold all academic records, including report cards, transcripts, electronic access, and diplomas, until all tuition and fees have been paid.
12. The GCCS student accident insurance policy coverage is secondary to all other medical insurance coverage that the student has for major injuries.
13. I will be expected to cooperate fully in the following ways by:
 - a. Becoming practically involved in the life of the school.
 - b. Praying regularly for the school and its needs.
 - c. Making all payments for tuition, fees and other financial obligations on a timely basis.

If the application for my child is accepted, I promise to abide by the regulations and fulfill my responsibilities to GCCS. I realize that my responsibilities include meeting my financial obligations on time, helping my children with homework, and giving financial gifts when possible. If I become dissatisfied with the school in any respect, I will seek to resolve the matter by taking it up with the teachers and principal, rather than by spreading gossip and criticism. I also promise to faithfully support the discipline and academic standards of GCCS. Finally, I realize that attendance at GCCS is a privilege and not a right, which may be forfeited by any student who does not conform to the standards and regulations of GCCS. I realize that GCCS may request the withdrawal of any family at any time which, in the opinion of GCCS, does not fit into the spirit of the institution, regardless of whether the family conforms to the specific rules of GCCS.

Application will not be processed unless it is signed and dated by all applicable parties.
